# Trade, From Every Angle

Welcome to Prism Global Partners.

We are a boutique consultancy that uniquely addresses three core areas:

- International Trade, including supply chain, logistics, market entry and development
- Trade Financing and Risk Mitigation, including classical trade finance and Supply Chain Finance (SCF)
- Trade-related Policy and Advocacy, including engagement with national, regional and international entities like the UN, the WTO, the ICC

Our team of Founding Partners, Advisory Committee Members and Senior Associates are world-class experts and leaders in their respective fields, and together, bring a powerful new proposition to the market.

Whether you need top-level strategic advice, policy analysis and development support, market or transaction-structuring expertise, Prism Global Partners can help.
